FREE TO TWENTY-FIVE LADIES.

The Defiance Starch Co. will give 25 ladies a round-trip ticket to the St. Louis exposition to five ladies in each of the following states: Illinois, Iowa, Nebraska, Kansas and Missouri who will send in the largest number of trade marks cut from a 10-cent, 16-ounce package of Defiance cold water laundry starch. This means from your own home, anywhere in the above named states. These trade marks must be mailed to and received by the Defiance Starch Co., Omaha, Neb., before September 1st, 1904. October and November will be the best months to visit the exposition. Remember that Defiance is the only starch put up 16 oz. (a full pound) to the package. You get one-third more starch for the same money than of any other kind, and Defiance never sticks to the iron. The tickets to the exposition will be sent by registered mail September 5th. A brilliant opening—lifting the corner of a jewel case.

Dealers say that as soon as a customer tries Defiance Starch it is impossible to sell them any other cold water starch. It can be used cold or boiled.

Browning's Wonderful Sight.

At dinner at the Royal Academy, Alma Tadema gave a curious account of Robert Browning's sight, maintaining that with one eye he could read the number of a picture at the end of a long gallery; while with the other, without artificial assistance, he could write an ode of Horace on a piece of paper of the size of a three-penny bit.

Capt. Marryat's Opinion.

At a comparatively recent period Capt. Marryat of the British navy, the celebrated nautical author, wrote in one of his novels: "What a mine of wealth must lie entangled among its rocks or remain suspended in the unfathomable gulf, where the compressed fluid is equal in gravity to that which it encloses!"
